Our Gold sponsors

We recognise Aboriginal and Torres Strait Islander People as the traditional custodians of the land on which we live and work and acknowledge that sovereignty of the land we call Australia has never been ceded. We commit to listening to and learning from Aboriginal and Torres Strait Islander people about how we can better reflect Indigenous ways of being and knowing in our work.

Coordinated in the Pacific region by

Global Green and Healthy Hospitals is an initiative of Health Care Without Harm. Climate and Health Alliance is a strategic partner of Health Care Without Harm and proudly coordinates Global Green and Healthy Hospitals Pacific region
